Founded in 2010, the beloved brainchild of rockin' hair stylist momma Andrea Ridgell, Glop & Glam was created to provide a healthy and safe hair care alternative for families that actually worked! Glop & Glam combines natural & organic ingredients with fun scents like candy apple, cake batter, vanilla & blueberry to give your hair the very best. Glop & Glam removes the harmful chemicals found in most adult product lines and makes safe, gentle formulas for the most sensitive of skin.
